

# Dereham Walkers are Welcome

## Two Windmills\* walk

### Monday 22 April 2019

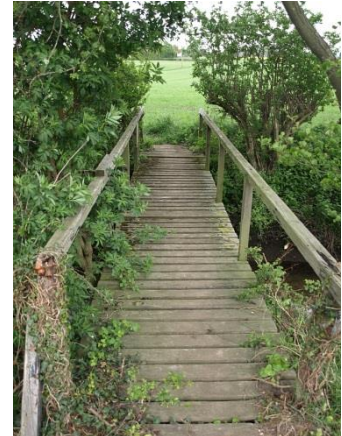

*\*We are taking a bit of a liberty with the title: this walk will take you close to Yaxham Windmill, and there are places on the walk where you can see Dereham Windmill - in the far distance. There is also a point early in the walk where both are visible merely by turning your head!*

#### ● Yaxham Waters

Yaxham village sign

Mouse's bridge

The walk will follow paths, tracks and quiet roads east of Yaxham, then cross into Dereham via Mouse's Bridge, returning west along Dereham Footpath 26 - which is actually a substantial track throughout, albeit one that often retains water (and mud), so please be prepared with good footwear. We will come through Dumpling Green and over the Mid-Norfolk Railway, to depart Dereham across the fields at Whinburgh.

We will start at 1015 from Yaxham Waters: parking is available at the café. Konect service 4 stops outside, and the 0930 from Norwich reaches there at 1014. There is no suitable service from Dereham, but we will arrange lifts for anyone needing one from the town centre.

The walk is about 7¼ miles, taking about 3 hours, and will include a short break half way round.

There are no stiles on the walk and just 3 easy gates and a short set of steps. Well controlled dogs are welcome on the walk, though open spaces are limited and we do cross and walk along a number of roads. *Please note that there are no toilets or any food and drink outlets at any point on the walk after leaving Yaxham Waters.* On return, we take refreshment at Yaxham Waters.

Tickets cost £6.50, which includes tea/coffee and cake, or part payment of lunch. Booking is advisable: further details are available from *Dereham Walkers are Welcome* committee members, or from Ken Hawkins at [dtc.fwarden@talktalk.net](mailto:dtc.fwarden@talktalk.net) or on 07505 426750.
