General Data Protection Regulation and Dereham Walkers are Welcome

The General Data Protection Regulation (GDPR) is a new law that will come into effect on 25 May 2018 to replace the current Data Protection Act. It has at its core the fundamental right of people to be able to know how their data is being used, by whom and for what purpose.

At Dereham Walkers are Welcome we want to make sure that all of our supporters are happy with the way we communicate with them and a policy document will be published here soon.
